

Bistro Aix Introduces *l'Heure du Cocktail!*

For those wondering when San Marco's newest hot spot will emerge, we've got what you've been waiting for...it's the **Onyx Bar** at Bistro Aix. Our new **happy hour, l'Heure du Cocktail**, kicks off today (no joke!) and goes every **Monday – Thursday, from 4pm – 7pm.**

Wind down your work day and rev up your "me time" with a **\$3.95**

single well, or a **\$5.50 featured wine by the glass**. Meet a friend or bring your whole office to mingle in the glow of backlit onyx and crystal light fixtures, sip a velvety-smooth handcrafted **\$7 martini** or a cold **"two for one" draft brew** and nosh on nibbles from Chef Tom's **award-winning menu**.

Come early and often. And although ***l'Heure du Cocktail*** happens only at the Onyx Bar, afterward you can always join us in the dining room for more of Bistro Aix's best food, wine and cocktail offerings – just remember to save room for dessert. See you here!
